him and thought what to say. He had big black machine guns and was Norwegian. He came quietly into the tent and shouted that it was the police.

13:21 Jane Hovland: - Then he asks if the girl is conscious. So I say yes she is conscious. Then he says make sure she is.

14:00 Lars Henrik Rytter Øberg: - Yes, I received a text message at 18.12. I got an sms from my father who told me to call him. I think it was when Breivik arrived in the pump housing. Was there perhaps an hour.

14:00 Holden: - What was the mood there?

14:01 Lars Henrik Rytter Øberg: - It is strange but I had a good feeling then. For we took care of each other as the friends we are. We talked about things on the H and everything.

14:01 Holden: - Did you know what was going on?

14:02 Lars Henrik Rytter Øberg - I realized that there were some who used the weapon. But did not think it had something to do with what happened in Oslo earlier.

14:02 Holden: - Did you have any contact with people who were later killed?

14:02 Lars Henrik Rytter Øberg - I talked to three people who were later killed. I also talked with some others that I did not know the names of people killed.

14:04 Lars Henrik Rytter Øberg: - She said she was hurt but that she thought it would be fine. She would, for example, do not have help down the mountain slope, she would do it myself.

14:05 Lars Henrik Rytter Øberg: - What I remember was that it was very straight forward and easy. Not some big variations in tone of voice. Just straight ahead.

14:05 Lippestad: - Did you at any time something in the tone of voice that was quiet, from Breivik, then?

14:05 Lars Henrik Rytter Øberg: - No, not that I can say with certainty. Not a cry.

14:05 Lippestad: - Did you hear something happy outburst or was he calm?

14:06 Lars Henrik Rytter Øberg: - That I perceived him as he was calm. When I saw him there were no outbreaks at all, only this rock face.

14:06 Lawyer Hans-Richard Steinholt: - Can you say something about how things are going at school?

14:06 Steinholt: - What future plans do you have?

14:06 Lars Henrik Rytter Øberg: - It runs smoothly. It's a bit like half the motor and these grades to improve. Some grades went up before Christmas, also went down after Christmas.

14:07 Øberg laugh a little.

14:07 Øberg: - I had plans to enter law school, but it looks a little bad right now ...

14:07 Steinholt: - You were on the list to the council ....

14:07 Lars Henrik Rytter Øberg - I was the one who climbs most in the list in Eidsvold, full of great people. Even from the Progress Party.

14:07 Øberg smiles as he says this.

14:08 Steinholt: - What did you do on May 1 this year?

14:09 Lars Henrik Rytter Øberg - I dropped the Russian celebration and took the plane to Trondheim and was taken to the cemetery. Eventually I found her grave and wrote a note on the Russian my card that I put on the grave.

14:35 Mohammed Abdul Rahman Mohammed: - It started when we learned about something that had happened in Oslo. We sat in the great hall when I heard three bangs ... like a nail gun. I went out and looked toward the tent.

14:35 Mohammed Abdul Rahman Mohammed: - The first thing I see is a man, he was wearing red t-shirt, he lay on his back.

14:35 Muhammad uses the map on the big screen to show where he was and where he saw different things.

14:37 Mohammed Abdul Rahman Mohammed: - When I see the policeman who comes strolling along. He says he will take a routine check. A girl running against him ... and

he shoots her.

14:37 Mohammed Abdul Rahman Mohammed: - So he went and kicked her. Then he takes out a gun and shoot her again .... when she was lying on the ground.

14:37 Mohammed Abdul Rahman Mohammed: - A next to me shouting at the policeman, what are you doing!

14:38 Mohammed Abdul Rahman Mohammed: - I believe he shot at the windows. I throw myself down and crawls across ..

14:39 Mohammed Abdul Rahman Mohammed: - When I go to the long time in the middle of the building and plan to run out the door. While I run, I see a person who closes the door. A group of people begins to run against me.

14:39 Mohammed Abdul Rahman Mohammed - I only hear screaming and chaos.

14:39 Mohammed Abdul Rahman Mohammed: - When we heard some shots inside. Then all began to run towards the dining room. But when all trapped in time.

14:39 Engh: - Do you remember how many people were in the area?

14:40 Mohammed Abdul Rahman Mohammed: - It may have been as many as 60 There were very many. I was pinned against the wall and tried to get out.

14:40 Mohammed Abdul Rahman Mohammed - I come out and see a lot of falling, I'm trying to help them up when I heard several shots.

14:41 Mohammed Abdul Rahman Mohammed - I thought that it was not safe to be here and wanted to get to the water and swim away. I had previously seen where it was closest to shore.

14:41 Mohammed Abdul Rahman Mohammed - I ran up on a dining table, kicked out the window and jumped out ... about two feet down.

14:42 Mohammed Abdul Rahman Mohammed: - I run across a skate ramp and see the pump housing and assessed to hide there, but saw that it was very open there.

14:42 Mohammed Abdul Rahman Mohammed - I went ahead and met someone I knew. There is much I do not remember where.

14:42 Muhammad shows the map of the island where he moved.

14:43 Mohammed Abdul Rahman Mohammed - I tried to call 112, but I did not come through. And suddenly I got in touch with my girlfriend on the phone and I warned her and asked her to alert the police.

14:43 Mohammed Abdul Rahman Mohammed - I tried to call the ambulance ...

14:44 Mohammed Abdul Rahman Mohammed: - Suddenly, my friend away .... I went over, and jogged across and hit two people and was sitting under a tree by the Bolshevik.

14:44 Mohammed Abdul Rahman Mohammed - I do not remember what we talked about but we saw many people who went over to Pride Mountain. We thought we'd go there because it might be a boat that was to get there.

14:45 Mohammed Abdul Rahman Mohammed: - We started to go ... there were some who cried. Me and my friend held stones in their hands to defend ourselves .. I did not think ...

14:45 Mohammed Abdul Rahman Mohammed: - So we shut up from someone, and we let the stones. Then we heard shots and walked away.

14:45 Mohammed Abdul Rahman Mohammed: - I saw many people began to swim ...

14:46 Mohammed Abdul Rahman Mohammed: - I see a white boat paddle out from shore. Somewhat later we hear a shot that hit the boat.

14:46 Mohammed Abdul Rahman Mohammed: - I hear the shots and that the defendant hit the boat.

14:46 Mohammed Abdul Rahman Mohammed - I was at Pride Mountain and considered whether I was going into the water.

14:47 Mohammed Abdul Rahman Mohammed: - It was very cold in the water. So I went into the water and tried to swim.

14:47 Mohammed Abdul Rahman Mohammed: - First, we were maybe 30, but eventually we were maybe 20 max

14:47 From Pride Mountain is about a half mile to the mainland on the east side of

Tyrifjord.

14:48 Mohammed Abdul Rahman Mohammed: - My friends said I should not swim because they knew I was not good at swimming. I tried to swim, but was tired after five meters. I tried to swim back.

14:48 Mohammed Abdul Rahman Mohammed: - Attempted to take off my sweater and pants under water, but it was hard and very heavy

14:48 Mohammed Abdul Rahman Mohammed: - So I see a guard who just runs into the water without taking off his clothes. When I stand in the water with water to the knees. Then I head to the perpetrator.

14:49 Mohammed Abdul Rahman Mohammed - I told my friends that they must go because I see him. He turned his back to me while I lay in the water. He fires many shots ... but I do not know who he was shooting at.

14:50 Engh: - Now you stand out in the water?

14:50 Mohammed Abdul Rahman Mohammed: - I stand out in the water with the water to the chin. I wave to my friends that they have to run, but I do not think they understood it. I do not remember much of it.

14:50 Mohammed Abdul Rahman Mohammed: - I remember that when the defendant turned around, I panic.

14:51 Mohammed Abdul Rahman Mohammed: - I saw lots of clothes on the country, including my sweater. Then he begins to fire at that location. He hit no .... I think he'll slow down.

14:52 Mohammed Abdul Rahman Mohammed: - While I was standing about five feet in the water, I see that he comes around I see that he has weapons. He points his gun at those who are there. He shoots her first from about ten centimeters away. I think he shot her in the head with a rifle.

14:53 Mohammed Abdul Rahman Mohammed: - I hear a say, please please do not.!

14:53 Mohammed Abdul Rahman Mohammed - I think he runs out of shots in the rifle and takes out the gun and shoot the last.

14:53 Mohammed Abdul Rahman Mohammed - I think he was referring to the head at

all.

14:54 Breivik take notes while testifying before Muhammad.

14:54 Mohammed Abdul Rahman Mohammed: - He had the gun on the right side.

14:54 Engh: - He switches weapons?

14:55 Mohammed Abdul Rahman Mohammed - He shoots the first two with the rifle and the third with a gun. Then I think it's my turn.

14:55 Mohammed Abdul Rahman Mohammed - I get flashbacks from something that happened earlier in life. I see my parents die.

14:55 Mohammed Abdul Rahman Mohammed: - It is very fast as he took out the gun ...

14:56 Mohammed Abdul Rahman Mohammed: - I am ill to appear under. I see some plants that are under water and trying to drag me down to them. Then I think he shoots at me in the water. Between it is perhaps 20 meters ...

14:57 Mohammed Abdul Rahman Mohammed: - It does not take that long again before I have to go up again ... then I see him still standing there ... I will panic and will under again.

14:57 Mohammed Abdul Rahman Mohammed: - I hit my knee against a rock and think I'm hit. I counted inside me ..

14:57 Mohammed Abdul Rahman Mohammed: - When I get up again, I see his back ... it does not take long before he is gone.

14:57 Engh: - When you are in the water. Do you get any sense of whether he shoots in the water?

14:58 Mohammed Abdul Rahman Mohammed - I get the feeling that he shoots in the water. I get the feeling that he shoots at me.

14:58 Mohammed Abdul Rahman Mohammed: - Then I heard a scream ... a very deep voice.

14:58 Mohammed Abdul Rahman Mohammed: - When I go up again ... for I was very

cold. It felt like I had been there for several hours.

14:59 Mohammed Abdul Rahman Mohammed: - When I come up I see his back ... I see more people running up.

14:59 Mohammed Abdul Rahman Mohammed - I thought they were injured but in retrospect, it appears that it was my friends who ran in a zigzag.

14:59 Engh:-Did you recognize anyone?

15:00 Mohammed Abdul Rahman Mohammed - I know I've seen people I knew again .. including one who checked my bag on the land when I arrived. I saw him in there ..

15:01 Mohammed Abdul Rahman Mohammed: - He is gone for me ... when I see three that are close together. I never touched dead people before, but I'm looking for the pulse on one person. The second I dared not touch ..

15:01 Mohammed Abdul Rahman Mohammed - I go into the water again ... I am completely specified.

15:02 Mohammed Abdul Rahman Mohammed - I had a purple pants as I waved ... then comes a boat that is heading towards us. More to come into the water and we try to stick together.

15:03 Mohammed Abdul Rahman Mohammed: - The one with the green rain jacket from earlier was already in the boat. He helped us up and we drove out of there.

15:03 Engh: - When you saw the defendant go and shoot at what you believe is 4-6 people. Do you have any idea what time it is?

15:04 Engh: - In the interview, you said in 1810 ...

15:04 Mohammed Abdul Rahman Mohammed - I had on my watch .. I looked at it very often ... at 18.10 was well then.

15:04 Engh: - You said you looked out the window and saw a girl walked up to defendant and then was shot ... How far away was it?

15:05 Mohammed Abdul Rahman Mohammed: - She runs from the scene where he comes across the path. I think maybe it was five feet between them.

15:05 Mohammed Abdul Rahman Mohammed: - He walked over and kicked her. He was only ten inches away when he shot her again.

15:05 Engh: - You said that when you stand in the water you get flashback. What?

15:07 Mohammed Abdul Rahman Mohammed: - It was from when I was a very small home in northern Iraq. Then, several classmates killed by a bomb. When I was seven years. So I thought it was my turn.

15:07 Engh: - You came to the mainland. What happens then?

15:07 Mohammed Abdul Rahman Mohammed - I was greeted by some people on Uvika camping. I got a blanket because I was only in boxer. I asked to take a shower ... then said that I should go up to a white house.

15:08 Mohammed Abdul Rahman Mohammed - I was very skeptical, but then more and we went in and tried to shower. I was there maybe five to ten minutes.

15:08 Mohammed Abdul Rahman Mohammed: - So I get a lot of thoughts about a man come in and shoot me ... I think that it is not safe in the bathtub.

15:09 Mohammed Abdul Rahman Mohammed: - So I stand up and get on my warm clothes and calling my family.

15:09 Mohammed Abdul Rahman Mohammed: - When we came out, we met many others who froze ... from there we were transported to Sundvollen.

15:09 Engh: - Did you lose any friends in Utøya?

15:10 Mohammed Abdul Rahman Mohammed - I lost my best friend Ismail and called Andreas. Ismail died at pump house.

15:10 Engh: - How has it been for 22 July?

15:10 Mohammed Abdul Rahman Mohammed: - It has not been so good.

15:10 Mohammed Abdul Rahman Mohammed - I go to school, but it is not very good there. But I can help.

15:11 Engh: - Would you say more about how you have it?

15:11 Mohammed Abdul Rahman Mohammed: - No ... I think I stand over.

15:11 Breivik: - I have a comment. It is the explanation.

15:11 Breivik: - I have not at all affected in some Utøya, except that I Berntsen holdhilde on. Regarding the ipod, I used it not at all.

15:12 Mohammed Abdul Rahman Mohammed is done in the witness box and will leave the room.
