Norway v. Breivik Complaints Censored by Norwegian Media:

[1] Norway Supreme Court / Norges Høyesterett Application for Review of Breivik Judgement.

On 27 August 2012 an application¹ was filed with the Norwegian Supreme Court for Review of the Oslo District Court: Breivik Judgement, to set aside (A) the Necessity ruling, and (B) the conviction and Remit to Oslo District Court for hearing of further evidence to conclude Objective and Subjective Necessity Test Evidentiary Enquiry. The finding of guilt, in the absence of full Objective and Subjective Necessity Test Conclusions renders the Guilt Finding Inadequate.

The Norwegian Supreme Court Registrar has so far refused to issue a Case Number for the Application for Review of the Breivik Judgement, or to provide reasons for their refusal. A complaint of Slow Case Processing against the Supreme Court Registrar has been submitted to the Parliamentary Ombudsman (Annex A)
